June 2026

Manager's Corner

SUMMERTIME IS HERE!!

Time for some fun in the sun ... be sure to sign up for this month's activities; you won't want to miss out on them!

As you all know, June 1st is the beginning of hurricane season. Please take the time to make sure you are ready. Have a plan: If you have items outside that could become flying debris, put them away if not in use—one less thing to worry about when the time comes that a storm is headed our way. Start to pick up a few extra things at the store. Have batteries for your flashlight? Buy or make some bottled water and put in freezer. Being prepared is so important!

A few reminders: As family and friends come to visit you over the summer, please do not park on the grass or block roads and sidewalks. Overflow parking is at either clubhouse and if overnight, must have a parking pass. Simply pick up a parking pass at the office.

All guests must be registered with the office and must be accompanied by the resident at all times.

Enjoy this beautiful weather and remember to wear sunblock!

Stay hydrated and enjoy!

Happy Birthday

Diamond Dreams

Each summer, youngsters across the U.S. and the world take the field as Little League ballplayers.

In 1938, Carl Stotz of Williamsport, Pa., wanted to give his young nephews and other neighborhood boys the opportunity to play baseball on a field instead of a sandlot and

wear uniforms in an organized league. The first Little League game swung into action in Williamsport in 1939.

The program was a hit, and leagues popped up across the country, and then around the globe. The first National Little League Tournament — now known as the annual Little League Baseball World Series — was played in 1947.

Girls' softball teams were added in 1974, and a Challenger Division was created in 1989 so that children with disabilities could play.

Today, teams in more than 80 countries participate in Little League each summer.
